

You're Gonna Be Ok - Brian & Jenn Johnson

Lyrics:

[Verse 1]

I know it's all you've got to just be strong
And it's a fight just to keep it together, together
I know you think that you are too far gone
But hope is never lost, hope is never lost

[Pre-Chorus]

Hold on, don't let go
Hold on, don't let go

[Chorus]

Just take one step closer
Put one foot in front of the other
You'll get through this
Just follow the light in the darkness
You're gonna be ok

[Verse 2]

I know your heart is heavy from those nights
But just remember that you are a fighter, a fighter
You never know just what tomorrow holds
And you're stronger than you know, stronger than you know

[Pre-Chorus]

Hold on, don't let go
Hold on, don't let go

[Chorus]

Just take one step closer
Put one foot in front of the other
You'll get through this
Just follow the light in the darkness
One step closer
Put one foot in front of the other
You'll get through this
Just follow the light in the darkness
You're gonna be ok

[Outro]

And when the night is closing in

Don't give up and don't give in

This won't last, it's not the end, it's not the end

You're gonna be ok

When the night is closing in

Don't give up and don't give in

This won't last, it's not the end, it's not the end

You're gonna be ok
