

You Are a Part of Everything

Josh Kelley

The worst mistake is giving up
Pulling back when you've had too much
Of not knowing where you belong

The one thing I am certain of
Is time will change each one of us
For this you're not on your own
So open your voice and be strong

You are not alone
You are what you believe
You are not alone
You're a part of everything

When life gets you down
Set your soul at ease
You are not alone
You're a part of everything

The cheapest secret is the truth
Until you finally set it loose
Such an unbelievable game
Well, if you've got something to say
Let it out

Give us something to talk about
So that you're not on your own
Open your voice and be strong

You are not alone
You are what you believe
You are not alone
You're a part of everything

When life gets you down
Set your soul at ease
You are not alone
You're a part of everything

Don't let people tell you
That you won't amount to nothing
Get out of the way, get out of the way
Do your thing, do your thing, do your thing

Do your thing, give me your thing
It's a beautiful thing, get up

You are not alone
You are what you believe
You are not alone
You're a part of everything

When life gets you down
Set your soul at ease
You are not alone
You're a part of everything

You are not alone
You are what you believe
You are not alone
You're a part of everything

When life gets you down
Set your soul at ease
You are not alone

You're a part of
You're a part of everything
You're a part of
You're a part of everything
